

Ying Jin, Ph.D.

Address 214 W Union St, Hillsborough, NC, 27278
Email yingjin2465@outlook.com
Phone 1(347)276-6289

Education

2019 - 2024 Doctor of philosophy, Biostatistics
University of Colorado Anschutz Medical Campus, Aurora, CO

2017 - 2019 Master of Arts , Statistics
Columbia University, New York, NY

2013 - 2017 Bachelor of Science, Financial Mathematics
Dalian University of Technology, Dalian, Liaoning, China

Research experience

Feb 2025 - present Postdoctoral Fellow
PI: Shanshan Zhao
Biostatistics and Computational Biology Branch
National Institute of Environmental Health Science
National Institutes of Health, Durham, NC

Aug 2022 - Aug 2024 Graduate Research Assistant
PI: Andrew Leroux
Department of Biostatistics and Informatics
University of Colorado Anschutz Medical Campus, Aurora, CO

Aug 2019 - Aug 2022 Graduate Research Assistant
PI: Ryan Peterson
Center for Innovative Design & Analysis
University of Colorado Anschutz Medical Campus, Aurora, CO

Teaching experience

May 2025 - Present Graduate Student Mentor
Mentee: Gary Lu
National Institute of Environmental Health Sciences
University of North Carolina at Chapel Hill

May 2024 - Aug 2024 Instructor
Summer Educational Program
Department of Biostatistics and Informatics
University of Colorado Anschutz Medical Campus, Aurora, CO

May 2023 - **Instructor**
Aug 2023 *Git Version Control Tutorial*
Department of Biostatistics and Informatics
University of Colorado Anschutz Medical Campus, Aurora, CO

Feb 2021 - **Teaching Assistant**
May 2021 *Biostatistical Methods II (PhD/MS level)*
Department of Biostatistics and Informatics
University of Colorado Anschutz Medical Campus, Aurora, CO

Work experience

May 2023 - **Clinical Analytics Intern**
Aug 2023 *Supervisor: Dalei Chen*
Otsuka Pharmaceutical Companies (U.S.), Princeton, NJ

May 2015 - **Financial Analyst Trainee**
Aug 2015 *Supervisor: Julia Chan*
AXA Hong Kong Group, Hong Kong, China

Conferences and Workshops

Aug 2026 mLEDA: an interactive tool for guided standardized exploratory analysis workflow of multivariate longitudinal data
Talk, Joint Statistical Meeting, Boston, MA

Dec 2025 Interactive exploration of multivariate temporal data
Talk, NIEHS Biostatistics and Computational Biology Branch Journal Club, Durham, NC

Aug 2025 Efficient Dynamic Prediction of High-density Multilevel Generalized Functional Data
Talk, Joint Statistical Meeting, Nashville, Tennessee

June 2022 Identify Shortcomings of Estimators of Discriminative Performance in Time-to-Event Analyses
Talk, WNAR/IMS Annual Meeting, Remote, June 2022

Dec 2021 Visual Interactive Model Selection for Determining Predictors of Lung Function
Poster, The International Society for Computational Biology Conference, Aspen, CO

May 2019 Urine Drug Screen Trajectory as a Universal Outcome Predictor: Overcoming Limitations of Logistic Regression as a Canonical Technique for Binary Outcome Modeling
Poster, Scienstista Symposium, Boston, MA

Professional membership

2026 American Statistical Association

2026 American Statistical Association Statistical Consulting section

Leadership and Services

- 2026** **Member of Career Panel Committee of NIEHS Annual Biomedical Symposium**
National Institute of Environmental Health Sciences
National Institutes of Health, Durham, NC
- 2021** **Student Representative of PhD Biostatistics program**
Department of Biostatistics and Informatics
University of Colorado Anschutz Medical Campus, Aurora, CO
- 2020** **Volunteer Teacher**
Think Like a Scientist (TLaS), Aurora, CO
